

Introducing

Hospital 2 Home

Hospital 2 Home (H2H) is a grant program funded by the Administration for Community Living for individuals with Alzheimer's Disease and related Dementias and their caregivers. The 30-day program provides assistance to bridge gaps in care, reduce caregiver burden and provide resources to keep the person with Dementia at home and out of hospital settings. H2H is provided through funding by ACL.

Todd Hunnicutt, Program Manager
260-745-1200 ext. 307

Bailee Buchs, Care Coach
260-745-1200 ext. 290

Program Benefits

- Medical stability
- Reduced caregiver burden
- Access to long term care resources
- Increased patient engagement
- Improved health outcomes
- Improved medication management
- Access to services and supervision in the home
- Less than 1% hospital readmission rate

Your Care Coach will provide:

- Access to an in-home respite provider so the caregiver can receive breaks from caregiving.
- Evaluate problem areas and assist with service planning.
- Create a plan to help the caregiver develop better coping strategies and avoid burnout.
- Access to short and long-term care resources, communicate with referral sources and work with community supports to provide better, more comprehensive Dementia specific service plans.

Your Respite Coach will provide:

- In-home, non-medical caregiving and coaching to provide breaks for the caregiver.
- Assistance such as companionship, light housekeeping, meal prep, errands and advocacy.
- Coaching and assistance with dementia education to help caregivers support their loved ones to remain at home.
